

## **Marcus G. Wild**

VISN 17 Center of Excellence for Research on Returning War Veterans  
Doris Miller VA Medical Center, Building 93  
4800 Memorial Drive, Waco, TX 76711  
615-715-4503 • marcus.wild@va.gov

### **PROFESSIONAL POSITIONS**

**VISN 17 Center of Excellence for Research on Returning War Veterans – Waco, TX**      **2025 – Present**  
Investigator and Clinical Psychologist

**Baylor University – Waco, TX**      **2023**  
Instructor in the Department of Psychology and Neuroscience

### **EDUCATION AND TRAINING**

**VISN 17 Center of Excellence for Research on Returning War Veterans – Waco, TX**      **2022 – 2025**  
Postdoctoral Research Fellow

**University of Washington – Seattle, WA**      **2021 – 2022**  
Rehabilitation Psychology Resident in the Department of Psychiatry and Behavioral Sciences

**Vanderbilt University – Nashville, TN**      **2015 – 2022**  
Doctor of Philosophy in Clinical Psychology  
Dissertation: *SEE-ing Interactions: The Relationship between Social-emotional Expertise (SEE) and Social Visual Search Performance.*  
Dissertation Chair: Jo-Anne Bachorowski, PhD

**Vanderbilt University – Nashville, TN**      **2015 – 2018**  
Master of Science, Psychology  
Master's Thesis: *Social-Emotional Expertise (SEE) and Third-party Evaluations of Social Interaction Quality*  
Thesis advisor: Jo-Anne Bachorowski, PhD

**University of Tennessee-Knoxville**      **2009 – 2013**  
Bachelor of Arts, Psychology (Summa cum laude)  
Honors Thesis: *Relationship Satisfaction as a Moderator of Diabetes Duration and Diabetes-Related Emotional Distress*  
Thesis advisor: Kristina Coop Gordon, PhD

### **LICENSURE**

**Licensed Psychologist**      **2024 – Present**  
Texas (#40050), expires June 2026

## **EXTRAMURAL FUNDING**

### ***Current Funding***

#### **VA/ Army STARRS Researcher in Residence Program**

**October 2024 – September 2026**

Grant: Researcher in Residence (1 year, with additional year option)

Title: Data-derived characterizations of chronic pain experience for the prediction of suicide outcomes in US veterans and servicemembers (Project #: SPR-001-25F)

Amount Awarded: \$179,098

Role: Primary Investigator

Mentors: Murray Stein, MD, MPH & Suzannah Creech, PhD

### ***Funding in the Just-In-Time (JIT) Process***

#### **VA Office of Research and Development Rehabilitation Service**

**October 2025 – September 2027**

Grant: Career Development Award-1 (2 years)

Title: Developing Precise and Personalized Models of Veteran Chronic Pain to Inform Rehabilitation and Improve Functional Outcomes (Grant #: 1 IK1 RX005048)

Amount Awarded: \$268,205

Role: Primary Investigator

Mentor: Suzannah Creech, PhD

### ***Applications Under Consideration***

#### **VA Office of Rural Health**

**Proposed Start: January 2025**

Grant: ORH Enterprise-Wide Initiative New Program Application (3 years)

Title: Rural Unit-Whole Health (RU-Whole Health)

Proposed Budget: \$3,998,973

Role: Co-Investigator

PI: John Finnell, ND, PhD, MPH

### ***Past Funding***

#### **National Science Foundation**

**June 2016 – June 2021**

Grant: Graduate Research Fellowship (5 years)

Title: Evaluating the Temporal Aspects of Social Interaction to Determine Social-Emotional Fluency

Role: Primary Investigator

Mentor: Jo-Anne Bachorowski, PhD

#### **National Institute of Mental Health**

**August 2020 – June 2021**

Grant: T32MH018921-31

Title: Development of Psychopathology: From Brain and Behavioral Science to Intervention Training Program

Role: Trainee

PI: Judy Garber, PhD
